FILE HEADING.

A bridge across the Hemavati near Gonur.

From

The Deputy Commissioner, Hassan Dt

No. R.Oc 380 Dated 29.1.1917 Received 5.2.17.

Diary No. 2406	Enclos.	Spare Copies.	Serial No. 1

BRIEF ABSTRACT OF LETTER.

Reports that Mr. N.R. Subbamaiyya coffee planter wishes to know the terms of the loan to be raised for financing the construction of a bridge and that he has asked the Amildar of Hassan & Arkalgud to report if it is possible to raise debenture loans of Rs 100.

2 From The Same Office NOTES AND ORDERS. No. 380 d/10.2.17
Forwards the letter of Mr. D.C. Basappa setty as regards the terms of the loan for the bridge at Gonur.
1. Submitted for orders.

KP 9.2.17 BC

2. The Dy. Cr. proposal in 1915 was that the Mem promised loan of Rs 65,000 be levied by 5 annl instl at 4% interest for a period of

NOTES—First Sheet.

about 30 years to the next part of 2nd wholly from realization of toll which may be established on the bridge after its Construction"

& the P.O. on this letter was that "the Dist Board might raise a loan of Rs 65,000 as suggested"-

3. It is necessary for the Dt Board to consider & decide (subject to appl of Govt) the best means & terms for raising the loan.-

4. To expedite matters the D.C. may be informed that the Dt Board might consider the matter from all points of view & inform their decision for the sanction of Govt.

Rec'd Secy) 10/2-17

5. In July 1915 the Dr Court reported on the strength of a resolution of the Dt Board of July 1914, that four gentlemen had offered to lend Rs 65,000. It is now said that only three gentlemen had promised Rs 50,000

6. Of these three gentlemen, ~~only one~~ two have replied to the Dr Comr, asking for some information and proposing to say 'yes' or 'no' later on; while the ~~other~~ third has not yet responded ~~at all~~. The Dr Comr has submitted this for the information of Govt.

7. He adds further that he is making enquiries, and will report again, whether ~~debe~~ moiety of the cost can not be raised in the Tgs by debentures of Rs 100/-, apparently in lieu of the large loans promised by the three or four sowcars, who do not seem to be now eager to keep to their undertaking.

8. It is for the Dr Comr and the Sec Bd to provide ½ the cost and the Dr Comr may be informed accdly in reply to his present repr, though it seems as if the scheme is likely to be indefinitely delayed.

11. I am afraid the Deputy Commissioner has not worked out the question in a sufficiently comprehensive way. He should have prepared a feasible scheme for financing the work.

12. The best solution seems to be to permit the District Board to raise the amount required for meeting their share of the cost by issue of debentures. Out of the total cost of Rs.1,30,000 half may be met by Government from the State funds in accordance with the Council resolution dated 23rd November 1916 already recorded. The other half may be raised by the District Board issuing debentures carrying interest at 5 per cent and repayable in 25 years. The interest and sinking fund charges on this amount of Rs.65,000 would come to roughly Rs.4,612. This additional charge on the resources of the District Board may be met by the levy of a toll on every cart

NOTE—Contn. sheet.

Serial No.

passing over the bridge. The levy of such toll is not unusal. I think it is levied in the case of the bridge constructed a few years ago at Belur in the same district. It is very likely that the income from this source would suffice for the payment of the annual interest and sinking fund charges. The deficiency, if any, may be met from the District funds

13. The Deputy Commissioner may be asked to consult the District Board on the scheme and send up their recommendations. He may also be requested to suggest what rates of toll should be levied and to send a rough estimate of the amount that could be realised therefrom.

14. If the Second Member approves, please take action accordingly. The question has been long pending chiefly through lack of grit and continued ~~intent~~ initial on the part of the Deputy Commissioner. A demi-official letter may also issue to the Deputy Commissioner after the draft is shown to me.

To

Signed by Mrs. I. Hesaraghatta

The Deputy Commr., Hassan

Sir

With reference to Correspondence ending with your letter no 380 dt 10.2.17 in the matter of the Construction of a bridge across the Hemavati river near Sosur, I am directed to observe that the Scheme ~~submitted~~ should have been worked out by you personally in a comprehensive and feasible manner.

2. Cost of the total ~~amount~~ ~~Rs~~ Cost of Rs. 130000 sanctioned

over

for the Bridge in P.O. No. [illegible] of Rs. 179-13-9

11-12-1916, a moiety ~~thereof~~ may be raised by the District Board by issue of debentures carrying interest at 5 p.c. and repayable in 25 years, the other half being payable from State funds. The interest & sinking fund charges on the District Board's share viz. Rs. 65,000 would come roughly to Rs. 4,612 and this additional charge on the resources of the District Board may be met by the levy of a toll on every cart crossing over the bridge, the deficiency if any, being met from district funds. The levy of such toll is not unusual as it is believed that the same is levied in the case of the bridge constructed a few years ago at Belur in the district.

List of enclosure

3. I am therefore to request you to be so good as to lend us the recommendation of the District Board in the subject & to suggest what rates of toll should be levied, with a rough estimate of the amount that could be realized therefrom.

I have, &c.
